## 7 REASONS MEMBERS LOVE BOCA GROVE

---

### GOLF

*"Playing golf with my kids not only gives them the opportunity to develop a valuable lifelong skill, it provides a means for us to spend time together both now and, hopefully, for many years to come. Boca Grove fosters an atmosphere where kids are encouraged to pursue golf as far as they wish, be it recreational or competitive."*

*– David and Tracy Abrams*

### TENNIS

*"The tennis facilities are first rate – only matched by the quality and the spirit of the people that play on the courts."* – Larry Sharnak

### FITNESS

*"I've always gone to the gym, but recently I participated in the boot camp workout here. Members ages 20 to 75 participated in the 8-week course, and it was an excellent experience."* – Patti DeRosa

### DINING

*"I'd rather come here than most of the restaurants in town."* – Warren Orlando

### SOCIAL ACTIVITIES

*"We have a wonderful entertainment committee, Social Director and chairperson. Our events are fabulous. We had a mentalist [at the club] which was really neat. It involved audience participation. We've had just about any type of party you can think of as well as just casual socializing."* – Allan Hutensky

### SERVICE & MANAGEMENT

*"The crew is unbelievable. Members have daily contact with the incredible team [General Manager] Chuck Lehner brought on. Whether it's the golf pro, tennis pro – Chuck has his fingerprint on it and his crew makes everything so delightful. I've had the opportunity to work with him on a one-on-one basis and there's really no one better in the business."* – Larry Feldman

### COMMUNITY

*"We moved to Boca Grove because it's a club that truly is unique in this region. There's a real mix of young families and retirees, and that gives our athletic and social programs an excitement that you don't always find in country club communities. Boca Grove is probably the best kept secret in South Florida."*

*– Roger and Barbara Pressman*
